

Robert Parker
The Wine Advocate

December 2009

One can't say enough about the wines produced at this extraordinary site in Napa Valley. Proprietor Dave Wight continues to turn out sleepers of the vintage that represent some of the **greatest bargains in world-class Napa Valley Cabernet Sauvignon**. The classic **2007 Cabernet Sauvignon** tastes like proprietor Alfred Tesserón's over-achieving 5th growth Pauillac, Chateau Pontet Canet moved to Napa. Bursting with *creme de cassis*, flower, lead pencil, and spice characteristics, it is a dense, pure, full-bodied wine with a terrific texture. This is a gorgeously harmonious, seamless Cabernet Sauvignon with awesome concentration as well as aging potential. Drink it now and over the next 25 years. Even more profound is the **nearly perfect 2007 Cabernet Sauvignon Wight Vineyard**. The finest Cabernet I have ever tasted from this estate, it has everything the Napa Cabernet possesses, along with a few more layers, slightly more aromatic and flavor intensity, and a finish that goes on for close to a minute. The tannins are just as sweet, but there are more of them. This is a prodigious Napa Cabernet Sauvignon with all the *creme de cassis* one could ever want intermixed with charcoal, acacia flowers, licorice, and a hint of background oak. Give it 2-3 years of bottle age, and drink it over the following 2-3 decades. Kudos!
