The Wine Advocate

October 2016

The **2014 Cabernet Sauvignon Napa** has all that - a nice soft underbelly with **finely grained, silky tannins, full body, loads of black fruits and an enticing set of aromatics**. Drink it over the next **10-15 years**. The **2014 Cabernet Sauvignon Wight** ratchets up the concentration level. The fruit is **deeper, denser**, the wine slightly fuller-bodied, but nevertheless shares the same style of **licorice, crème de cassis, cedar wood and well-integrated, subtle oak**. It is a **full-bodied classic** from Napa that should drink nicely for 20 or more years. **The poor person's Screaming Eagle?** Consistently excellent wines emanate from Dave Wight under the Lewelling label. I have said this many times in the past, but **they are reminiscent of a classy Pauillac, such as Pontet-Canet**, given their licorice and pure crème de cassis fruit.
